If you require further information on our game world please browse the website which contains a basic overview of each of the Factions, Guilds and some of the game world history Our publications section has a copy of the rules, rules addenda and OS guide (Occupational Skills Guide). The publication "RUNE" details some of equipment that should be bought to our events. All our events are outdoor camping events.

All New Customers receive a starting discount on their first pre-booking (Please see table), plus an in game incentive (of 50 OSPs) to help you develop your character. If you wish to book, either print off this pack, fill in and send it to the office or you can book online.

Visit the website and click the 'Register' button on the 'User Login' side panel (left hand side). Follow the onscreen instructions to create your own account. Once you have registered you can create a character. The remainder of this book should assist you in creating your first character however, if you are still unsure on any aspect of character creation you may email the Lorien Trust office on enquiries@lorientrust.com and we will gladly assist you. If you do not wish to create your character at the time of booking, we will bank your OSPs and they will be available for later use.

An Introduction to CS, OS & OSPs

Each customer creates one character. A created character can spend up to 16 points on **Character Skills (CS)**. These broadly determine the type of character you play (e.g. a healer would generally choose the Healing CS and an Warrior would generally choose Armour Use & Body Development CS as one of their main CS skills). To supplement these CS a character can buy **Occupational Skills (OS)** by spending **Occupational Skill Points. (OSPs)** These Occupational Skills allow you to create an extra depth to your character by enhancing your character skills or even making you immune to some effects, these reflect your background and knowledge of the game world. For example the OS Revive costs 10 OSPs and allows the healer better healing. An explanation of all OS skills can be found within Occupational Skills Guide. OSPs are earned by attending events.

New customer are customers that have not previously attended a Lorien Trust Event. This deal only applies to people over 16 years of age and to the first event you prebook. Children under 16 will require the normal booking form. These prices are only available via pre-booking. On the gate prices will be charged at the current rate shown in RUNE (Available from the publications part of the website). Metal or other non-LRP weapons Must Not be brought to LT events. Reasonable camping knives are permitted but can only be used in your camp and Must be kept in your tent. The LT reserve the right to confiscate/ban, any weapon or any item of equipment it deems to be unsuitable or inappropriate. Any confiscated item Must be collected from the Main Security Point, prior to you leaving the event. Any uncollected items will be kept for a maximum of one year after the event and may then be disposed of.
